No Practitioner Consult: your medication and prescription only. An additional consult costs $150, and an AI 3D body scan $99.

Personalized Precision Dosing: your personalized vial or syringes are prepared according to your exact weekly dose.

TERMS & CONDITIONS

1. Offer applies to 3-month packages purchased November 15 – December 1, 2026. More than one package may be purchased at the Thanksgiving price during this period.

2. Available to patients in the Tampa area only. Medication is collected at Roots or delivered locally to addresses within a 20 mile radius of the clinic.

3. Paid in full at purchase and non-refundable, as your medication is personalized to your dose, unless a Roots practitioner determines you are not a clinical candidate.

4. Packages including Practitioner Consult includes one in-clinic consult per month and an AI 3D body scan. Packages with no Practitioner Consult does include text support, but does not include a monthly consult; consult $150, AI 3D body scan $99.

5. A medical evaluation and prescription from a Roots practitioner are required. Your practitioner sets your dose; pricing follows your weekly dose tier.

6. Compounded by a licensed pharmacy for individual patients; compounded medications are not FDA-approved. Individual results vary.

7. Cannot be combined with other discounts.

8. Once medication has been collected or delivered, we cannot refund or replace vials that have passed their expiry date. Medication vials typically last 90 days depending on their dispatch date.
